GAME TIME

9. The object of the game is to be the first pair to use up all your cards after the deck is exhausted.

GAME TIME

10. You AND your PARTNER will use up your CARDS to CREATE a GRID of KRISTANG SENTENCES like this. No DIAGONAL SENTENCES.

GAME TIME

11. All pairs make their grids simultaneously.
12. Every time one pair manages to put all their cards into the grid, they shout, "tomah". Everybody takes two new cards from the top of the deck, and must now add these new cards to their grid.

GAME TIME

13. If a PARTICULAR CARD DOESN'T WORK FOR YOU, YOU CAN EXCHANGE IT FOR THREE NEW CARDS FROM THE TOP OF THE DECK BY SAYING, "tirah".
14. When the deck is exhausted, the first pair to finish their grid wins!
15. Let one of the facilitators know AND WE WILL COME AND CHECK THAT ALL YOUR SENTENCES ARE GRAMMATICAL.

1. Deal 15 cards to each pair.
2. Start making your grid of sentences. Everyone makes their grids at the same time.
3. Every time you put all your cards into your grid, shout "tomah!". Everyone takes two new cards, which must be added to their grids.
4. You can exchange one of your cards for three from the deck by saying "tirah". Place the discarded card at the bottom of the deck.
5. When the deck is exhausted, the first player to finish their grid wins!
