1a. Kevin is describing his father Wilson Wong’s family tree to an oral history interviewer. Listen to Kevin talk about his father’s family tree and write down the ages of each person in the table below, adding more rows as necessary. Write all numbers in word form instead of numeral form.

S/N	Nomi	Isti jenti Wilson sa...	Ki isti jenti sa anu?
1	Kevin	filu	
2			
Etc.			

1b. Now, listen to the oral history interviewer ask 5 questions about Wilson’s family, and write the answers to those questions down.

CHALLENGE *Create a table like the one above for your own family.*

2. Kevin’s family is spending the evening at the Gardens by the Bay Conservatory. The Conservatory charges different ticket (*pasazi*) prices for different age groups. However, Kevin’s father is not too sure that everyone has bought the right tickets. Add another column to the right of your table and record how much each person paid for their ticket; compare this with the ticket prices listed below to see who has bought the wrong ticket.

AGE RANGE	UNDER 18 YEARS	18-21 YEARS	22-35 YEARS	36-55 YEARS	56-69 YEARS	ABOVE 69 YEARS
TICKET PRICE	\$14.50	\$15.00	\$18.35	\$21.70	\$16.80	\$12.00
