

Listen to the audio file and write your answers on rough paper or on an application like Microsoft Word.

1. Andre's family is at the Straits Animal Sanctuary and wants to watch various animal performances. However, the Sanctuary is just out of timetables. Listen to Andre speak with Sanctuary ranger Frances, and help Andre take note of (i) each performance timing, (ii) what the animal will be doing during their performance, and (iii) who in the family wants to see this particular animal. Write all times in numeral form instead of in word form.

S/N	Animal	Tempu	Ki isti animal fazeh?	Keng kereh olah isti animal?
1				
Etc.				

2. Look at the map of the Sanctuary below. (Don't panic—you haven't learned some animals' names in Kristang yet.)

There are three different zones in the Sanctuary — Sidadi (red), Riu (yellow) and Kampu (green). Write down in complete sentences in Kristang which zone Andre's family will go to in order to see which particular animals. To translate 'area' into Kristang, write *banda* (e.g. *Banda Sidadi* = Sidadi area).

CHALLENGE Based on the map and the timings in your table, will Andre's family be able to visit all the performances?
