2. Look at the pictures of 15 items in Luis's house. For each object, write complete sentences in Kristang stating what the object is and which room in the house Luis must put it in if the object can only be in one room, or which rooms in the house it could be in if Luis could put the object in more than one room. Name as many rooms as you wish.

EXAMPLE For the first item, you write "This is a pillow. Luis can put it in his bedroom or his living room." in Kristang. For the second item, you write "This is an iron. Luis must put it in his laundry room." in Kristang.
