

1. Andre and Frances have just competed against each other in a telematch. Based on their performances for each event, write (i) a question about that event in Kristang using *klai*, *ki* or *kantu*, and then (ii) 2 sentences about their performances in Kristang using the word pairs in the box below. Use each pair once. Questions 9-12 are **CHALLENGE**.

EXAMPLE Step 1. For the first event, you write “How did they run?” in Kristang.
 Step 2. You write “Frances ran very slowly. Andre ran very fast.” in Kristang.
 Step 3. For the second event, you write “They caught what kind of fish?” in Kristang.
 Step 4. You write “Andre caught a heavy fish. Frances caught a light fish.” in Kristang.
 For some questions, you can use the construction “How was **(thing)** after they had finished **(verb)**ing it?”

altu x kaladu | altu x kutru | baratu x karu | bazidu x cheu | bunitu x feu | limpu x suzu
 lebi x pezadu | podih x impodih | presta x bagah | riku x pobri | sedu x tadri | tudu x impoku
