

1. Look at the map of the transport network for the HDB town of Tanjong Sarkies below and answer the questions in Kristang on the next page.

1a. For each transport line on the map, write down in complete sentences in Kristang (i) the type of vehicle the line uses, (ii) the colour of the line on the map, and (iii) its start and end points. Write all line numbers in word form, not in numeral form. There are 9 lines in total: **14, 15, 16, 441, 442, 445, 448, 767** and the **HL MRT line**.

EXAMPLE You write “Line 441 is a bus line. Its color is yellow. It starts at Sarkies Transport Hub, ends at Masjid Ma’suma.” in Kristang.

- 1b.** Write out directions in complete sentences in Kristang for the following travelers. Make sure you use *santah*.
- i. Ms Frances Loke Wei, travelling from **Sarkies West MRT** (grid **A3**) to **Ishaktown MRT** (grid **G3**).
 - ii. Mr Bernard Mesenas, travelling from **Pensalvos International Airport** (grid **D5**) to **Huisman Ctr** (grid **C1**).
 - iii. PTE Andre D’Rozario, travelling from **Marfing Camp North** (grid **E1**) to **Sarkies South NPC** (grid **A4**).
 - iv. Mr Fuad Johari, travelling from **Eastern Star Cinema** (grid **A5**) to **Patani Nature Reserve** (grid **E2**).

EXAMPLE For (i), you write “Frances can go by train from Sarkies West MRT to go to Ishaktown MRT.” in Kristang.

1c. As Andre travels from Marfing Camp North to Sarkies South NPC, he notices different vehicles along his route on tram line 15. Based on Andre’s images below, write out what vehicles Andre sees in complete sentences in Kristang.

EXAMPLE For the first image you write, “At Tarth station, Andre saw a submarine on the right.” in Kristang.

At Tarth station, right side

At Dockworks C station,
left side

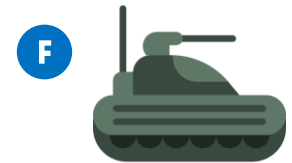

At Aeria station,
straight ahead

At hospital station,
left side

At Garland station,
straight ahead

At terminus,
right side
