

Listen to the audio file and write your answers on rough paper or on an application like Microsoft Word.

1. Kevin had lots of errands to run at various places yesterday and today, but thinks he is finally done. Listen to Kevin talk about what he has done, and put a tick in the box for every errand that Kevin has completed. Based on your findings, determine if Kevin has completed all the errands he set out to do.

2. Kevin and Fuad are heading out for a Kodrah meeting and need Andre's help to take calls in their absence. Listen to the calls that come in and write down in complete sentences in Kristang (i) the time of the call (ii) the person who called and (iii) their phone number in Kristang. **CHALLENGE** Also write down (iv) what the person wanted in Kristang, and write all numbers in **numeral** form instead of in word form.

EXAMPLE Step 1. After hearing a call, you write "Luís called y'all at 5.30pm. His number is 90541507." in Kristang.
Step 2. If you are doing the **CHALLENGE** activity, you go on to write "Andre said he wanted to go to the market." in Kristang.
