Record or video yourself speaking in Kristang. Use the points below as a guide for what you can speak about:

1. a greeting of your choice, depending on the time of day;
2. your name, and that you speak Kristang;
3. your job, and (if you are comfortable) your age;
4. when you started learning Kristang;
5. the day and time of the week when you attend Kristang classes;
6. how many people in your family speak Kristang, and who they are;
7. when you speak Kristang now and/or whom you speak Kristang with;
8. what you like about the language;
9. who your new friends are in class;
10. what you will do with the language in the future.

If you would like to share your journey with the world, upload it on social media, or send your recording to the Kodrah Kristang Core Team for us to publicize. Otherwise, store your recording in a safe place, and use it to compare your progress as you move on to Kodrah Kristang Stage 2.
