1. In pairs, you need to ask each other ke questions to figure out whose children are whose and complete the information gap graphic organiser on their handout.
2. Once all pairs have finished, mestri will then name someone on the family tree. With your partner, you have to write down as many relationships as you can that that person can be characterised by e.g.
 1. Cally Anselm sa sobrinya.
 2. Cally Donatello sa prima.
 3. Cally Eliza sa sobrinya.
3. The pair that writes down the most relationships in the time given gets one point.
4. The winning pair is the pair with the most points at the end of the activity.

Bringku Ganyah fesang

1. Exchange handouts with your partner.
2. Take turns with your partner to ask what they remember of one of their grandparents and writing it down on the reverse side of your partner's handout.
3. If you are both comfortable, you can attempt drawing your partner's grandparent's face based on the description your partner gives.
